Background

MAKINSIGHTS was founded in **2013 in Detroit, MI** and expanded to **Lima, Peru in 2018**. Our competitive edge is combining a global “Big-4” mindset with local talent and expertise through our worldwide footprint of partners and industry veterans possessing unique **INSIGHTS**

MAKINSIGHTS has successfully established programs and delivered innovative projects across **IT Risk Management, Privacy, Information Security, Cybersecurity,** and **IT Governance** in the US, Europe, Asia-Pacific, and South American countries

MAKINSIGHTS actively supports global organizations and those with other levels of scale in the following verticals:

- Manufacturing
- Financial Services
- Healthcare
- Internet/Technology
- Telecommunications & Utilities

Management Team

Our team of seasoned professionals has led projects around the world for many of the largest and most recognized organizations, providing **MAKINSIGHTS** with deep domain expertise in **IT Strategy, Governance, Risk Management, Compliance, Privacy and Cybersecurity**
